GUEST SPEAKER
Sheriff Lieutenant Sean Casey briefed the Board on Alexandria Sheriff’s office operations, he stated that the Sheriff’s office is fully law enforcement even though they do not receive emergency calls; they work alongside the Alexandria Police Department when needed. He spoke about how recently inmates from facilities managed by the Sheriff’s department had the opportunity to participate in a creative writing program.
He noted that the Alexandria Sheriff’s office provides one of the top-notch inmate facilities, the American Correction Association has credited the Alexandria Detention Center numerous times. Lastly, he mentioned that the Alexandria Sheriff Department are changing their officers’ uniforms from brown to blue.

Police Lieutenant Matthew Weinert briefed the Board on recent crime activities in the area. He reported credit card and i.d. theft, an online fraud, and one destruction of property was reported for which they believe they have a suspect. They are working on staffing to ensure that officers will be present to respond right away for any unforeseen incidents on Halloween Night.

RESIDENT’S OPEN FORUM
- Mr. Elliott Waters proposed to the Board and to Management an electronic voting mechanism for Board Member elections at the annual meeting. He noted that the electronic system saves time, is more secure and is more efficient.
- Mr. Ray Celeste thanked Deirdre Baldino before the Board for her long service with Cameron Station and specifically for her contributions and hard work to the Facilities Committee throughout the years.

MOTION PASSED

FINANCIAL REPORT FOR August 2019
The Variance Report was not published for August 2019. Mr. Menez stated that some issues with the content and formatting are being resolved.
He requested that Management look into line items in Professional Services and Taxes and Insurance to explain the large variances. He also mentioned that the investment listing is on track and investments are in order.
Mr. Michael Johnson reminded all Committee Members that if there is any particular line item they would like to have increased to please report ahead of time so that it can be included in the budget.

PRO-FIT AUGUST 2019 REPORT
Mr. Rich Mandley, with ProFit, was present and gave a report summary of the Fitness Center activities for August as provided in the BOD packet.
OFFICERS'/COMMITTEE REPORTS

Cameron Club Facilities Committee
Mr. Ray Celeste reported to the Board that the Committee has been working on securing a contract to have the basketball court flooring replaced, the Committee would like to have the floor replaced before the New Year since the court room is busy in the beginning months of the year. The Board was concerned that this might cause an inconvenience with the series of holiday parties scheduled to take place in the court room before the New Year.

Mr. Ray Celeste reminded Management to please provide the Board a monthly report on removal of users who are no longer residents from the Badging C-Cure 9000 system.

Activities and Events Committee
Chairperson Andy Yang from the A&E Committee was present. He reported that movie night (Aladdin) was a great success with 70+ attendees. He also reported that the Committee is planning for fall parties, including Casino Night, which will be on Saturday, October 5th. The Committee has preparations well underway for the Halloween Party, which is sponsored by Irina Babb, on October 26. The Committee is also looking forward to the annual holiday party and is working on preparations for such.

Architectural Review Committee
Ms. Gayle Hatheway, ARC Vice Chair, was present to brief the Board. Ms. Hatheway reported that the ARC had its first ever solar panel application in August and after careful consideration due to the various reasons listed on the application the ARC has approved this solar panel installation.

Common Area Committee
Chairperson Robert Burns for the Common Area Committee was present and said that at the moment the Committee has a list of streets that they would like to have the bricks replaced/repaired on the sidewalks. The proposal for this work is included in the Board packet for Board approval. The CAC, Management and the Board all collectively agreed that the brick repair and replacement work should be conducted only on private streets and not on City streets.

Communications Committee
Ms. Soles reported that the Communications Committee has a new Chairperson, Tricia Hemel. Ms. Soles said that the new Chairperson is very enthusiastic, and the Committee has formed a new Welcome Committee who will be contacting new residents and welcoming them in the Community and answering any questions that they may have. They have compiled small give away packages and they are also working on updating the Community Map to include the “Little Free Library”.

Cameron Station Community Association
Tuesday, September 24, 2019 – Board of Directors Meeting
Financial Advisory Committee
Mr. Martin Menez reported that the Reserve Study process is almost complete and there is an investment planned to be made towards Irrigation and Paving. Management will be consulting with professional Engineers to see which one of the two should begin first and when.

MANAGEMENT REPORT
Reported by Ms. Soles as presented in the Board package and a few additions as follow:
1. Management has been working to resolve a drainage issue on Linear Park
2. Management is getting bids to repair the water fountain on Donovan Dr.

OLD BUSINESS
A. City of Alexandria Update

BUDGET REVIEW MEETING-COMMITTEE BUDGET REQUESTS

1. Activities & Events Committee
   Andy Yang, Committee Chair, presented his 2020 budget and commented on the major events for the next year in efforts to boost community life for CSCA. There is no increase requested from 2019 to 2020 in the budgeted dollars for this area.
2. **Common Areas Committee**
   Robert Burns, Committee Chair reviewed certain categories including Erosion Control ($10k) for costs related to channels, seed and other items to control erosion on the property. This area is a new category and was previously included in turf treatment. A discussion of the irrigation project ensued, and CMC is obtaining a consultant's bid for the system review. An irrigation specialist will provide an unbiased opinion on whether the "bones" of the structure are sound and how the system will hold during the paving project. Both CMC and the Board understand the irrigation project /asphalt project is still in planning phase, but need to be coordinated.

3. **Communications Committee**
   Mrs. Soles presented the Communications budget on behalf of Tricia Hemel, chairperson. Discussion occurred over whether the newsletter could transition from hard copy to full digital copy in 2020, since this represents the largest line item in the department budget. Mr. Sugrue agreed to follow up with the committee members in his role as board liaison.

4. **Cameron Club Facilities Committee**
   Ray Celeste Jr presented the CCFC budget as chairperson. Two budget line items required attention this year, specifically security supplies and the Heartline information related to monthly service costs for additional preventive maintenance. Mr. Celeste indicated the security supplies were a result of the recent CCFC security audit for the building. The Heartline proposal is an estimate to add additional preventative maintenance to the fitness equipment, and the contract has not been negotiated yet. Mr. Celeste is hopeful this will reduce the number of equipment "outages" and ongoing problems with fitness machines, especially cardio.

5. **Other Budget Line Items**
   Discussion on other budget categories occurred, including the staffing for the onsite management office by CMC. In addition to finding a part-time person to staff the office on Saturday (previously staffed by a temporary agency), CMC hopes to use the person for administrative support in the office. It is important that CMC be able to justify the cost/benefit for the position.

   The Replacement Reserve annual funding contributions were adjusted based on the recent study completed this year by Miller Dodson. Multiple conversations were had with the Reserve analyst, the FAC members and adjusted for a 10% increase. This method differs slightly from using the actual costs of the projects but it’s a more conservative approach.

   Mrs. Soles indicated she will follow up on the Account Set up/Coupon account since this account increased significantly.
   Snow removal will remain budgeted at $70,000 for 2020 due to the unknown, despite being under budget for 2019.

   The Special Meeting adjourned at 13:02 PM

RESIDENTS OPEN FORUM
Residents were present but had no comments.

BUDGET REVIEW MEETING-BOARD INPUT
Reviewed the updated budget draft with changes integrated by T. Taousakis, FAC Committee Chairperson. Certain accounts were targeted for review from the previous Board Special Meeting (October 10, 2019) to follow up on the additional information provided by Mrs. Soles, and address any additional questions.

Account 5030 Acct Setup/DD/Coupons
Discussion on the categorical costs and whether it includes the Account Set Up for new resident HOA dues accounts and coupon books. Mrs. Soles estimates the budgeted amount
for 2020 should be $7500 with a note to follow up and determine the line item only includes the coupon books and account set up expenses.

**Account 6585 Fountain Repairs**
Discussion on whether the Fountain repair costs for Donovan should be included in the Common Areas “Irrigation Repairs” Account #8199 or to segregate the costs in the existing account. M. Menez recommended we track the fountain repair and maintenance, and estimate the total at $1000 for budget year 2020. The reserve study anticipated a new fountain in the future years’ replacement reserve for $9,000. Note for further discussion after the annual meeting in November to revisit the fountain replacement, and budget $1,000 for fountain repair costs in the separate account.

**Software Licenses**
Discussion by M. Menez to establish a budget of $500 to cover software licenses for CMC onsite staff to create “fill in PDF” documents, web work and other IT projects currently contracted out. A new GL account will be established with a budgeted amount of $500 for 2020.

**Accounts 5390, 5415, 5420 and 5445 Insurance Accounts**
Discussion of the Insurance renewal that occurred in the spring of 2019 and estimated costs for additional coverage, including an increase in the Crime coverage (employee dishonesty) from $2M to $3M as recommended by the outside auditors to cover the total amount of the HOA assets; and the addition of a policy for cybersecurity. There was additional conversation on the General Liability insurance increase over the last few years (Account #5445). Mrs. Soles and M. Menez will follow up and discuss with the HOA’s insurance agent to determine the costs for the additional coverage and review the increase. Note also this should be a calendar for January 10, 2020 to shop the Insurance renewal for next year.

**Account 5070 Parking Enforcement**
Discussion of the Parking Enforcement Income which normally pays for 50% of the costs for Parking Enforcement each year. The income is currently included in HOA Compliance Fees but should be in a separate line item. The current 2020 budget include 10 hours per week at $30 per hour under the contract rate.

**Account 6570 Fitness Repair and Maintenance**
Discussion by Ms. Meyer Walsh to adjust the Fitness Repair and Maintenance to $9,600 from $12,000 due to lack of vendor documentation for the increase in costs from the CCFC.

**Communications Budget**
Discussion of costs related to the production and volume of newsletter. Mr. Sugrue, Board liaison for the Communications Committee, explained the breakdown of the costs related to the CSCA newsletter: 1100 newsletters or approximately 60% are mailed to residents. The remainder are sent via email. The costs related to the newsletter are not at volume sensitive, fixed upfront costs are related to the design. Current residents get the paper copy of the newsletter by default; new residents have to “opt in.” Approximately 250 newsletters are distributed to retailers and in the CMC Clubhouse. If more residents were to elect to receive the electronic version only, there will be some reduction in the production and distribution costs (e.g., for printing and mailing), but costs would not decline in a linear fashion.

Move to Amend Board Agenda to discuss Meet the Candidates Night and Discuss Planning for the Annual Meeting on November 4, 2019.

Investments:

On September 30, 2019 the Association had operating and investment funds totaling $2,780,010.54. The Pacific Premier Bank (PPB) operating account had a balance of $410,288.78. The Congressional Bank Money Market account reflects a balance of $712,404.80. The Morgan Stanley Smith Barney Money Market account had a balance of $105,947.38. There is also $1,543,000.00 invested in laddered Certificates of Deposit managed by Morgan Stanley. Additionally, there is Accrued Interest in the amount of $8,369.58.

Balance Sheet:

The Accounts Receivable Residential Assessments account (GL 1500) as of September 30, 2019 was $50,761.90. The Association also maintains for an Allowance for Doubtful Accounts (GL 1530) on the Balance Sheet in the amount of $37,498.86. This reflects a net delinquency rate of approximately 2.04%, which is below the industry standard of 3% - 5%. This is based on the formula as follows: Net Residential Assessments Receivable $50,761.90/Total Annual Assessments: $2,491,524.79 = 2.04%.
Accrued Repair & Replacement Reserves total $2,003,449.79 and are fully supported by cash and investments based on the calculation below. (Total Cash & Investments: $2,780,010.84 minus Liabilities $315,826.07 minus Repair & Replacement Reserves: $2,003,449.79 = $460,734.68 surplus capital.)

The Capital Improvement Reserve account totals $12,966.50 which is also fully supported by cash and investments. At the time of this report I am unaware if there are any approved Capital Improvements projects to be funded from this account. (Surplus Capital $460,734.68 minus Capital Reserves $12,966.50 = $447,768.18 remaining capital after funding Capital Reserves.)

Owner's Equity*, which has a balance of $446,041.42, is supported by cash and investments at 17.9%, which is well within the 10 - 20% recommended by the auditor. $446,041.42/$2,491,524.79 = 17.9%.

*The Association's Unappropriated Prior Year Owner's Equity is the cumulative amount of net income or losses since the inception of the Association. Each year the net income (or loss) is added (or subtracted) to/from this amount. Auditors recommend that it is healthy for Associations to have between 10-20% of the Association’s annual assessments in this line item.

Income Statement Report:

The Income Statement Report reflects a year-to-date income of $1,962,016.19 which is $23,323.19 more than the budgeted amount of $1,938,693.00.

There are several of the line items budgeted under Other Income that are significantly more than year-to-date budgeted amounts. I bring to your attention those GL line items that are below/above the budgeted allocations by $2,500.00 or more.

Resale Processing Fees- line item #4260 is over the year-to-date budgeted amount of $2,500.00 by $6,343.82. This is due to the quarterly processing of resale fees. Going forward, this will be processed monthly.

Charitable Donations Income- line item #4295 is over the year-to-date budgeted amount of $5,000.00 by $3,500.00. The A&E has collected more charitable donations than planned.

Legal Reimbursements- line item #4720 is over the year-to-date budgeted amount of $4,500.00 by $3,688.97. This is as a result of assertive collection efforts from our collections department.

Compliance fees- line item #4805 is over year-to-date budgeted amount of $2625.00 by $3,941.80. This income is a result of the strict adherence to the collection of architectural compliance fees.

Interest Earned - Reserve Funds- line item #4910 is over the year-to-date budgeted amount of $21,750.00 by $6,111.54. This is a result of more than anticipated interest earned on investments to include Morgan Stanley accounts.
Year-to-date expenses total $1,939,963.59 which is $22,042.91 less the budgeted amount of $1,962,008.50. Below are a few line items that I would like to bring to your attention, as they have a variance of more than $2,500.00 of the year-end budgeted amount.

**Expense Variances Below Year-End Budget by $2,500.00 or more:**

**Acct Setup/DD/Coupons:** line item #5030 is under the year-to-date budgeted amount of $10,000.00 by $6,624.00. The account setup budgeted amount is higher than the actual cost. This will be modified for the 2020 budget and will be budgeted closer to the actual near $5,000.

**Parking Enforcement:** line item #5070 is under the year-to-date budgeted amount of $12,000.00 by $3,007.50. This is due to personnel changes. We are looking for a replacement to perform parking enforcement.

**Events & Awards:** line item #5200 is under the year-to-date budgeted amount of $32,143.00 by $12,783.53. This is due to fewer community activities than anticipated to date but will be more in line by year end after scheduled holiday events.

**Newsletter Services:** line item #5225 is under the year-to-date budgeted amount of $12,917.00 by $4,257.87. This is as a result of not publishing a June/July newsletter.

**Other Communications:** line item #5316 is under the year-to-date budgeted amount of $4,500.00 by $3,678.08 due to fewer expenses to date. We predict the Communications Committee has expenses forthcoming as a result of the newly formed Welcome Committee, so budget line should be closer to zeroing out YTD.

**Payroll Taxes/Benefits/Costs:** line item #5340 is under the year-to-date budgeted amount of $69,894.00 by $3,375.19. This is due to less staffing expenses than anticipated in January and February.

**Electric Service:** line item #6000 is under the year-to-date budgeted amount of $32,250.00 by $2,968.71. This line item varies month to month and I expect it level out year-end, but we will monitor.

**Water Service:** line item #6025 is under the year-to-date budgeted amount of $26,000.00 by $7,193.50 due to quarterly water bill not being reflected in September. This will be reflected in the October financial.

**Tree & Shrub Maintenance:** line item #6160 is under the year-to-date budgeted amount of $33,000.00 by $3,740.00. Tree replacements have been deferred as a result of the warm temperatures and dry summer and fall. Plantings are scheduled for early November.

**TMP Expenses:** line item #6305 is under the year-to-date budgeted amount of $161,250.00 by $3,750.00. Management will confirm with the City of Alexandria and FLEET to ensure we are on track and this will be helpful during the 2020 projected budget process.

**Snow Removal Services:** line item #6442 is under the year-to-date budgeted amount of $42,000.00 by $16,201.00, this can be attributed to a mild winter.
Linear Park Landscape Maintenance- line item #6685 is under the year-to-date budgeted amount of $18,959.50 by $13,993.36. Management confirmed with Lancaster Landscape that they are maintaining this area spring, summer and fall. They are delayed with billing but anticipate this will remain under budget due to less rainfall then usual resulting in fewer mowing’s.

Storm Recovery Repair & Maintenance- line item #6755 is under the year-to-date budgeted amount of $3,787.50 by $2,887.50 due to a mild season.

Fire Suppression System- line item #6500 is under the year-to-date budgeted amount of $4,500.00 by $4,305.18 as there have been no expenses at the time of this report. The fire suppression expenses were paid out of fire prevention line item #6414 and will be reclassified to Fire Suppression line item 6500 and will be reflected on the October financials.

Building Repair & Maintenance- line item #6515 is under the year-to-date budgeted amount of $10,500.00 by $4,214.30 due to fewer repairs than anticipated to date. Anticipate expense in the near future relating to men’s room repairs and front door repairs.

Bad Debt - line item #5010 is under the year-to-date budgeted amount of $3750.00 by $3,750.00. There have been no expenses at the time of this report. Management has included recommendations for write offs for much of this bad debt.

Expense Variances Above Year-to-Date Budget by $2500

Computer Network/C3- line item #5040 is $9,679.60 above the year-to-date budgeted amount of $6,000.00. This is a result of monthly back up and support for our computers for $1120 and monthly C3 support expenses from CMC for $250 monthly totaling $1370 monthly and budgeted $667 monthly.

Administrative Salaries- line item #5302 is $6,259.30 above the year-to-date budgeted amount of $222,053.00 due to an increase in administrative salaries.

Grounds & Landscaping – Contract- line item #6100 is $15,393.64 above the year-to-date budgeted amount of $115,803. This is a result of a few invoices that need to be reclassified in other landscape categories and will be reflected in the October financial.

Flower Rotation & Landscape Enhancements- line item #6150 is $9,538.00 above the year-to-date budgeted amount of $11,000.00. This line item is over budget as a result of necessary landscape projects to include the removal of diseased rose bushes throughout our pocket parks.

Irrigation System Contract- line item #6299 is $12,649.00 above the year-to-date budgeted amount of $8,319.00. This is due to Turf and Restoration performed in October 2018 and will be adjusted after the audit. However, this is within the annual budgeted allowance of $16,638.00. Management will confirm the amount that will be adjusted. Additionally, funds will be reclassified from irrigation contract to irrigation repairs and those reclassifications will be reflected in the October financial.

Reserve Studies- line item #5105 is $4,819.66 above the year-to-date budgeted amount of $0.00. The reserve study was not included in the 2019 Budget.
Consulting Services: line item #7005 is $2610.00 above the year-to-date budgeted amount of $0.00. This is due to having a property appraisal performed in preparation of the Reserve Study. This expense was not included in the 2019 budget.

Legal Services – General Counsel: line item #7030 is $5,459.00 above the year-to-date budgeted amount of $22,500.00. This is due to an increase in communications with Board and Legal. However, this is within the annual budget allowance of $30,000.00.

Clubhouse Utilities: line item #7030 is $5,987.10 above the year-to-date budgeted amount of $25,500.00. Management will further investigate to ensure we do not have a water leak that has not been identified even though we have had a few plumbing contractors onsite to inspect the building for leaks, mostly related to the men’s locker room water issues.

Pool Management: line item #6438 is $2,928.00 above the year-to-date budgeted amount of $63,700.00. This is a result of the pool opening one weekend early and expenses relating to an additional weekend in September.

Pool Supplies: line item #6710 is $2,634.50 above the year-to-date budgeted amount of $5000.00. This is a result of the pool table replacements that will be reclassified to replacement reserves.

Income Tax: line item #9000 is $3,168.00 above the year-to-date budgeted amount of $4,832.00. This exceeds the annual budgeted allowance due to actual taxes being higher than predicted and the budget spread. Taxes are scheduled to be paid April/June/September and December.

Overall there is a positive variance between annual income and expenses in the amount of $45,366.10 through September 30, 2019. Management will continue to closely monitor the monthly expenses of the Association and will advise the Board of any specific issues that may have an impact to the budget. Please let me know if you have any questions regarding this information.

Facility & Operations

Group Exercise Class Program
- Stretch and Core was the most attended classes this month.
- We saw an increase in 7 out of 11 classes from last month.

Exercise and Facilities Equipment
- Currently the Concept 2 rower is down. This is piece of equipment that was scheduled to be replaced. We are looking to having a new rower within the next 3 to 4 weeks.

Personal Training
- For the month of September, we were able to convert 2 out of 3 inquiries into clients.

Upcoming Goals & Events
- The Salsa workshop which is a 3-part Salsa series, had 12 people in attendance for its first class. These workshops will last for 45 minutes and will take place for the next 2 months. We are also planning a CPR/AED class. This class is scheduled for Sunday, October 13th, from 10:00 am – 1:00 pm. There are 15 slots available and the cost for the 2-year certification is $60 dollars. Residents will be certified (Red Cross) in Adult/Pediatrics, CPR/AED. Currently we have 10 people signed up and we hope to fill the remaining 5 slots within the next week.

DRAFT MINUTES
CAMERON CLUB FACILITIES COMMITTEE (CCFC) MEETING
THURSDAY, OCTOBER 10, 2019

The following individuals attended the meeting:
Ray Celeste, CCFC Chair
Dan Ogg, CCFC Vice Chair
John Burton, CCFC Member
Tim Regan, CCFC Recording Secretary
Todd Branson, CMC Management
Rich Mandley, ProFIT President
PsyGianni Scott, ProFIT Fitness Center Manager/Activities Director
Elliott Waters, resident

The following individuals were absent:
Brendan Hanlon, CCFC Member
Jon Dellaria, BODs Representative to the CCFC

1. The Cameron Club Facilities Committee meeting was called to order by Ray Celeste at 7:07 p.m.

2. Ray Celeste made a motion to approve the agenda with the addition of a discussion about Saturday office hours to the CMC Management Report (new item 8.c). The motion was seconded by Tim Regan and it passed unanimously.

3. Residents' Open Forum: Elliott Waters, resident, provided information about a proposal to implement on-line voting for election of Board members to the Board of Directors. Mr. Waters also asked that the CCFC consider being a co-sponsor of the initiative.

4. Dan Ogg made a motion to approve the CCFC’s meeting minutes for September. The motion was seconded by John Burton and it passed unanimously.

   a) The pool management line item (#6438) was overspent by $2,928 due to the added weekend of pool operation at the end of September. This overage was approved by the BODs.
   b) For “Fitness Center Supplies” (line item 6575), the budget is already nearly depleted for 2019, but “Recreation Equipment” (line item 9934) has more than $3000.00 remaining. The CCFC asked CMC Management to look into the spending for these two line-items and explain the details.

   a) Pool closure. The pool has been closed.
b) Pool/clubhouse guest pass issues. The CCFC discussed recent requests that residents be allowed to bring more guests than the rules currently allow, or to have additional free guest passes. The CCFC had asked CMC Management to gather data on the guest policies at other communities. CMC Management found that the current Cameron Station guest policy is the most generous policy of all communities they checked.

John Burton made a motion that CCFC record its position that the community maintains adherence to the existing Cameron Station Operating Rules & Procedures, Policy Resolution No. 2012-02 (as amended), regarding guests’ passes and rules pertaining to guests. Dan Ogg seconded the motion and it passed unanimously.

c) 2020 pool season. The CCFC received requests from several residents to have the pool open from 10:30 am to 8:30 pm during weekdays in September (currently, the pool is only open weekends in September after Labor Day). Also, for 2019, the pool was open an extra weekend early in May and this is an option again for 2020. The CCFC discussed the proposals, the expected usage of the pool late in the season, and the additional cost of lifeguards and pool chemicals that would be incurred with additional pool operating hours.

Tim Regan made a motion for the BODs to approve adding to the 2020 American Pool contract an extra early weekend of pool operation (May 16-17, 2020, 10:30 am to 8:30 pm) and an extra weekend at the end of September (September 26-27, 2020, 10:30 am to 8:30 pm). John Burton seconded the motion and it passed unanimously.

d) American Pool proposal to caulk to pool before winter. CMC Management has several questions for American Pool about this proposal and will provide more information at the next CCFC meeting.

e) Benches at wading pool. Ray Celeste noted that the benches in the wading pool area are significantly degraded and need to be replaced. CMC will look into the cost of replacing the benches.

7. BOD Update. Ray Celeste provided the BOD update,

   a) The BOD approved the purchase of three new pieces of exercise equipment.

   b) The BOD debated the schedule for the basketball court floor replacement. However, the contractor, Weyer Flooring Services, has not responded to and approved the contract, so the schedule for the replacement is uncertain.

8. CMC Management report. Todd Branson provided the CMC Management update.
a) CMC Management is looking into a problem with water intrusion into the clubhouse. The source has not yet been found but CMC continues to investigate.

b) Sound system. John Burton identified the sound system needs for the multi-purpose court (basketball court), spoke to Psy Scott about the facility usage, and then John obtained a reasonable quote from a reputable vendor for upgrading the sound system.

John Burton made a motion that the BOD approve a contract with Nerd's Entertainment Services to install a new sound system for the multi-purpose court for a cost of $2,721.60. Dan Ogg seconded the motion and it passed unanimously. The funding for this work will come from the Replacement Reserve funds (item 118, $1,800) and the rest of the funding ($921.60) come from Capital Improvements.

c) Saturday office hours. A resident has asked the community to reinstate Saturday office hours, or provide a clear announcement that there are no Saturday office hours. The BOD has asked CMC Management to work to add a person who can work on Saturdays. CMC continues to pursue this item and will make an announcement of the results.

9. ProFIT Report:

a) Psy Scott provided the ProFIT monthly report. Attendance in September was 6,501 (216 per day) compared to August's attendance of 9,470 (305 per day).

b) All equipment is up and running. The new Concept Rower was just delivered to replace the old rower.

c) The Tai Chi workshops are ongoing. ProFIT is also planning a CPR and Automatic External Defibrillator (AED) class; October 13, 2019, 10:30 am to 1:00 pm. The cost is $60 per person. There are 5 slots remaining.

d) Capital Equipment Plan. Rich Mandley provided a newly updated Capital Equipment Plan that provides a 5-year projection of gym equipment replacement and upgrades.

For 2019, all pieces of equipment that were planned for upgrades have been replaced, except the Paramount functional trainer. Rich stated that he has another client who replaces all gym equipment on a periodic basis, regardless of the usage of the equipment, and they will be replacing a functional trainer that is very lightly used, in very good condition, and would meet all of our needs. Rich believes he can acquire this piece of equipment for a fraction of the cost of buying a new piece (a new functional trainer costs approximately $6,500.00).

John Burton made a motion to direct ProFIT to purchase a lightly used LifeFitness Functional Trainer for a cost not to exceed $2,500.00. This is to be paid from the Reserve Expenditures, Exercise Equipment line item (Line Item.
3280). As of October 2019, Line Item 3280 had $3,513.40 remaining. Tim Regan seconded the motion and it passed unanimously.

e) Rich continues to work to provide three lay-out options for the gym and submit the options for discussion at next CCFC meeting. Rich expects to provide the options for consideration at the CCFC’s November meeting.

f) A resident has offered to provide complimentary Pilates class and wants to be added to the exercise schedule. ProFIT is willing to work with her, but the CCFC asked that ProFIT ensure she has adequate insurance coverage.

10. Old Business.

a) Security audit. In response to a request from Jon Dellaria (member of the BOD), John Burton provided recommendations for lower-cost security upgrades to the clubhouse, including locking all exterior doors at all times, activating the door badge readers, and adding several surveillance cameras. The details of the proposals are provided in the CCFC October meeting package. The CCFC discussed the options.

Dan Ogg made a motion that the CCFC Chair, supported by John Burton, present the security proposals as recorded in the October 10, 2019, CCFC meeting package to gain the BOD’s agreement in principle to proceed with a detailed quote for the security upgrades. Tim Regan seconded the motion and it passed unanimously.

b) Cover for TV in the Great Room. One TV cover has been received and installed and a second one is being prepared.

11. New Business. There was no new business.

12. Adjournment: Dan Ogg made a motion to adjourn the meeting. John Burton seconded the motion and it passed unanimously. The meeting was adjourned at 9:32 p.m.
MEETING MINUTES
CAMERON STATION COMMUNITY ASSOCIATION, INC.
COMMON AREA COMMITTEE

Monday, October 14, 2019

The regularly scheduled monthly meeting of the Common Area Committee (CAC) was held on Monday, October 14, 2019. The meeting was called to order at 7:00 PM by Robert Burns, CAC Chairman in the club’s second floor meeting room.

Members Present: Robert Burns, CAC Chairman
Mindy Lyle, CAC Member
Hockley Walsh, CAC Member

Kathy McCollom, CAC Vice Chairman
Wendy Ulmer, CAC Member

Others in Attendance: Todd Branson, CMC. Carlos Rios, Lancaster Landscapes
Residents: Elliott Waters 325 Cameron Station Blvd, Jarret Christensen 260 Murtha St, Patricia Ehrman 264 Murtha St, Daniel Temme 268 Murtha St, Mike Kelly 179 Cameron Station Blvd, Nicholas Sarden 173 Cameron Station Blvd, Debbie Gordon 171 Cameron Station Blvd

OLD BUSINESS:
Move to: Approve Meeting Minutes – Monday, September 9th, 2019
Moved by: McCollom
Seconded By: Ulmer
For: All
Against: None
Motion Passed

Updates from Last Meeting: Lancaster confirmed the removal of the Pet Station on Minda Court as requested to improve turf in the area. The Pet Station will be re-installed in the small opening in the bushes on the strip of land between Minda Court and Cameron Station Boulevard or in another close by location Lancaster stated sod will be installed on the circle once the weather cools.

In addition, the requested tree-trimming and pocket park maintenance on Minda Court was completed.

NEW BUSINESS:

Resident Open Forum: Waters presented documentation to support his request to update Cameron Station’s technology regarding communications, bill payments, maintenance requests and voting. Lyle and Burns informed that this was a feature of an upcoming application that CMC may deploy called Town Square. Branson advised this new system would roll out to the Master Association and Condos managed by CMC. Waters suggested a piecemeal implementation.

Christensen, Ehrman and Temme were concerned after receiving violation notices from CMC related to common area. Lyle and Burns confirmed the violation was likely incorrect as these properties were grandfathered in when the covenant changed. CAC will act upon the applications, and CMC will send written communications and residents are to complete and send applications to the City of Alexandria.
Kelly first stated his appreciation for the work done by the CAC. He then noted that annual seeding of grass has been unsuccessful in areas between curb and sidewalk, neighbors Sardena and Gordon agreed and asked for this to be addressed. Lyle suggested mulch as an alternative to continued unsuccessful attempts. Kelly also asked who was responsible for trimming trees. CAC advised that trees located on Common Area were contracted with Lancaster for normal scheduled maintenance. Any homeowner concerns outside of the regular schedule would be addressed.

Sardena addressed lack of response from management regarding his daughter’s sinking lawn, stating she had been emailing several years with no response. Burns and Branson informed that management has changed and that these requests should go to Soles and Branson as CMC contacts.

Related, Branson noted issues with website email-forwarding that will be addressed this week to improve communication.

Meeting Discussion Topics
Welcome Committee

New Member: Linda Taousakis would like to join the Welcome Committee

Totes: Cameron Station Vector logo has been distributed to the entire committee and the front office for promotional and print use. The committee decided on the final tote to present to the board for approval for new residents.

Cookies: The committee decided on the cookie design with the Cameron Station logo on it, which will go into the welcome bag totes.

Welcome Packet Folder: CMC updated and printed new folders to go into the totes, which will include the below items.

5” x 7” Card: Tricia will compile the information for the double-sided card, and Kimberly will design it for print of a quantity of 150 to start off. The front of the card will be a welcome note, and the back of the card will be helpful social media/web information, as well as a blank space for the Welcome Committee member to write in their contact information. October 15th is the proposed launch date.

8.5” x 11” New Homeowners Checklist: The committee will compile a list of helpful information to new residents.

Community Map: GAM (producer of CS Compass Newsletter) is working on redesigning the community map with additional helpful information about trails to Old Town/DC, dog parks, running/walking mileage, as well as walking pass-throughs to Pickett retailers.
Zebra Magazine: The committee will include a recent free issue of the magazine picked up from a local grocery store.

Local Restaurant Menus: The committee will visit local restaurants to pick up menus to include in the totes.

Gmail Account: The committee suggests that we create a Welcome Committee Gmail account for new residents to email for general questions.

Compass Updates

The new Editor (Marian) stated that the September/October issue is in its final draft with GAM. After the release, Marian will ask for suggestions as to whether there are any ways to improve the process for future issues.

Community Photos

The committee would like to start a Flickr account to upload CS seasonal/event photos.

Weekly Email Blast

The committee agreed to update reoccurring verbiage in the weekly blasts on a monthly basis.

CS Social Media

Currently there is only Facebook/Twitter accounts. The committee proposes to push new information about the Activities & Events Committee and any community updates out of the Facebook Grapevine account run by David Thorpe.

CS Annual Meeting

The committee proposes that each of the community committees have a table out in the hallways of Tucker for residents to visit and learn more about what each group does to improve our community. This will give residents an opportunity to learn about joining a committee that interests them.

Communications Committee New Meeting Date:

The committee has decided to meet on the 3rd Wednesday of each month to help facilitate in a higher attendance of committee members.

The NEXT meeting will be on Wednesday, October 16th at 7pm at London Curry House.

September 2019 Board Meeting:

Kimberly will attend on behalf of the committee on Tuesday, September 24th.

Meeting Adjourned at 8:15 pm.

Respectfully Submitted, Kimberly Dillon

RESIDENTS OPEN FORUM
There was one homeowner present at this meeting to inquire from ARC what the proper procedures are and what to include on the application for an emergency repair work that is ready to take place on their front yard and the common area sidewalk. The ARC advised that the homeowner submit application for the repairs on their private lot and that they will approve online to accommodate the homeowner due to the emergency that
they are having. The ARC advised the homeowner to please check with the Common Area Committee and with Management regarding approval for the part of the work affecting the sidewalk.

There were other residents present but they were there to discuss the applications that they have submitted and not for an open forum.

Cameron Station Community Association General Manager's Report
October 22, 2019
Prepared by Karen Soles — General Manager

Next Board Meeting dates for Board Decision
Tuesday, November 26, 2019 (Thanksgiving Week)
Tuesday, December 17, 2019 (next 2 Tuesdays are Holidays)

City of Alexandria: Management continues to reach out to City representatives to review flooding concerns on City property adjacent to Cameron Station, along Linear Park. We will continue efforts.

Management: Prepared for and attended numerous Budget Meetings as well as CCFC/CAC/FAC/BOD Meetings. Management has been working on personnel matters, budget, basketball flooring concerns, and landscaping matters.

Lancaster Landscaping & CAC: Regular meetings are held every week. Items under review include pocket park designs, brick walkway repairs/replacements/future planning/fountains. Prepared for and attended the CAC meeting and created a summary sheet for all pending landscape projects for easy committee reference. Management continues to use the landscape tracking log for easy reference and to track pending and completed community wide landscape projects. These matters include irrigation, lighting, street signs, drainage concerns and other common area matters. Lancaster has provided a proposal for John Ticer and Knapp Pocket Parks.

Cameron Club: Prepared for and attended the CCFC committee meeting. Leak in men’s room has been contained and exploratory work is underway. ETC Engineering and AOC have prepared proposals for water exploration.

Communications/Activities: Management continues to work with Tricia Hemel, our Communications Chair, on her request for welcoming new residents to the Cameron Station Community. Efforts include the revised map and welcome bags. Holiday hayride has been set up for 12/15 from 12:30-2:30 pm. The Harmonizers are scheduled to perform at our Holiday event from 2:30 – 3:00 pm. There will be approximately 25 harmonizers at the gazebo at the circle at a cost of $500. (they typically charge $10K). More to follow. Management would like to consider having holiday wreaths hung on light posts along a portion of CSB to include the circle and will obtain pricing for Board consideration.

Fitness Club: Psy to provide update. Management will reach out for gently used magazines for the fitness center. Rich to provide update from Weyer Flooring to include status on proposed contract. Basketball flooring to be deferred until 2020, after Cameron Club water concerns are fully resolved.

Board,

Karen and I met with our insurance agents telephonically again this afternoon and received the following clarity:

1. There is no cyber coverage in the quote given to us in the premium we agreed to attach ($33,363.60, the revised amount actually used in Sarah’s motion of 4/12/19).

2. Cyber insurance is available at three levels (see attached). Our agent thought we ought to have it, but didn’t have a specific recommendation. I suggest the $3M level at $3,815 annually since that covers our assets of $2.80M, and significantly, this is not covered under our umbrella provision.

3. Crime insurance includes Employee Dishonesty, but the latter is only one of eight categories (see attached). The premium for the whole crime set, at $3M to cover our $2.78M of investments at the recommendation of the auditor, runs $3,600, minus the Dishonesty alone at $1,227 = an additional $2,373.

4. Bottom line is an additional $3,815 + $2,373 = $6,188

5. Added to our approved premium of $33,363.60, total budgeted insurance cost for 2020 would be $39,551.60.

Takis and Karen,

The budget should have the following from CMC’s briefing sheet (these need to be checked against the policy, Karen):
5390 Fidelity/workers' comp
  : $638.00

5415 D&O
  : $5,202

5420 Umbrella
  : $10,394.60

5445 General Liability: $16,938

Subtotal: $33,172.60 (the $191 difference for cyber with $33,363.60 was in error)

Add:

XXXX Cyber insurance: $3,815

YYYY Crime insurance: $2,373

Karen,

Please make sure that the agents, when giving you their feedback today, answer the question we put to them on why the General Liability portion went from the 2018 actual of $12,512 to $16,938 in 2020 (if the CMC spreadsheet is correct). Please advise.

Thanks,

Marty

Marty & Karen

Thanks for your work in looking into this today. Were you able to get to the bottom of the increase in general from what it's been the past few years? Since it wasn't because the coverage we thought had been added was included, were you able to ascertain what it was attributed to?

Best,
Sarah

Think cyber claims do not happen to businesses like yours? Think again.

Cyber risk is everywhere. Read on for a few examples of what can, and has, gone wrong.

**Hospitality**

**Ransomware**
Casino had a ransomware attack that resulted in a $150,000 ransomware payment. As a result of the ransomware attack, the casino was shut down for 3 days.

Total payout $800,000

**Technology**

**Staff Mistake**
While working on a project, employees of an IT Firm inappropriately used a Dropbox account to share the confidential business information of customers.

Total payout $600,000
Forensics $200,000
Legal Fees $400,000

**Manufacturing**

**Social Engineering**
Company made an improper wire transfer. Claim included the lost money, forensics, and legal expenses.

Total payout $47,500

**Financial Services**

**Lost/Stolen device**
Seven laptops were stolen from an office location, two of which contained client names, the identity of the employer and Social Security Numbers. Damages included credit monitoring for the thousands of people affected.

Total payout $70,818
(Note: without insurance and preferred vendor rates, estimate $225/record lost or compromised)

**Healthcare**

**Ransomware**
All hospital's servers and 1500 devices were encrypted by NotPetya ransomware leading to significant system damage and business interruption costs.

Total payout $3,000,000
Forensics $200,000
Legal Fees $400,000

**Non-profit**

**Hacker**
Insured's computer systems were breached to extort the insured by threatening to release of employee login credentials. However, the login information was encrypted, and the hackers were unsuccessful. Then they also engaged in a DDOS attack which affected all of the insured’s systems. Systems brought back online with minimal functionality within a month, and with full functionality within 2 months.

Total payout $1,606,550

We require that the insured meet all of the following underwriting criteria to be eligible for the program:

Item 1: Required Association Characteristics

- The entity is a non-profit community association.
- The association has been claim-free for the last 5 years.
- The association does not have more than 25 employees on payroll.

Item 2: Procedures

- Dues/Fees/Mortgage payments are always received as checks, not cash.
- Vouchers/supporting records are stamped “PAID” when checks are signed. If records are kept electronically, there is a system in place to indicate that a check has been issued to prevent duplication.
- Anyone authorized to fire or hire association employees is prohibited from distributing payroll. If there is no payroll, this question does not apply.
- Volunteers (other than Directors & Officers) are prohibited from handling bank accounts or fee/mortgage payments. If there are no other volunteers, aside from Directors & Officers, this does not apply.

Item 3: Oversight/Reconciliation

- Are the associations’ bank accounts and credit card statements are reconciled monthly by someone not authorized to deposit, withdraw, initiate electronic funds transfer, or use an association credit card?
- If Association utilizes Traditional Banking, countersignatures are required on all checks over $500
- If Association utilizes Electronic Banking, they must meet the following:
  - The board approves all checks/expenditures and also verifies the completion/receipt of purchased services or goods.
  - The employee creating the check or payment request does not also sign or approve.
  - The board receives a monthly statement directly from the bank (via mail in a sealed envelope or via e-mail directly from the bank’s website) and reviews it on a monthly basis.

Confirmation acknowledges that the mentioned insured meets all underwriting criteria as outlined above

Warranty is not valid if plants have (1) been properly maintained (watered) (2) are damaged due to weather conditions, vandalism, etc. (3) if services rendered has been paid in full within the 30 day time allowance. Property outlining repairs/renovations should be performed under the best possible conditions and in compliance with current industry standards. Substitutions or substitutions are not honored by proposal.

Trees: Sycamore trees pose a certain degree of hazard and risk. Tree: disease, failure or other causes and conditions. Recommendations that are made by Lancaster Landscapes intended to minimize or reduce hazardous conditions that may be associated with trees. Therefore, there is and there can be no guarantee or warranty that efforts to control such conditions will prevent breakdown or failure of the tree. Our recommendations should reduce the risk of tree failure but they cannot eliminate such risk entirely in the event of a more severe or fatal break.
THIS IS AN OVERVIEW OF THE PLAN CONCEPT. PART OF THE GOAL IN THIS DESIGN IS TO CREATE A SLIGHTLY MORE FORMAL APPEARANCE. TO ACHIEVE THAT, NEW TURF HAS BEEN ADDED TO THE 4 CORNERS OF THE PARK, CREATING A MORE RECTANGULAR FORM. KOREAN BOXWOOD HAVE BEEN USED ALONG THE SIDES TO ADD STRUCTURE TO THE SHAPE, PARTICULARLY IN WINTER. OF ALL THE BOXWOOD, THE KOREAN BOX IS PROVEN TO BE THE MOST RESILIENT OF THE MANY TYPES OF BOXWOOD IN COMMON USE. NOTE THAT THE BOXWOOD IS TO BE KEPT AT A HEIGHT OF ONLY 20 TO 24 INCHES. NOT SHOWN HERE ARE THE SHRUBS & PERENNIALS IN THE PLAN TO PROVIDE SEASON LONG COLOR.
THIS IS A "STREET VIEW", LOOKING EAST TO WEST.
THE TOP PHOTO SHOWS THE TURF AREAS AS THEY NOW EXIST. THE BOTTOM PHOTO SHOWS THE ADDITION OF NEW TURF IN THE CORNERS, CREATING A MORE FORMAL, RECTANGULAR SHAPE.

Thank you for requesting a lot survey from PotholeRepair.com for Thermal Asphalt Repairs to correct the existing asphalt damage at the above mentioned site.

In order to accurately determine your requirements we inspected this site and identified twenty (20) individual and/or linked 1m x 1m repairs are required to restore the areas indicated in this report.

For your convenience, the next pages contain a site plan to identify the location of each repair and a photo gallery to document the proposed repairs. We trust that we have interpreted your requirements correctly and as such are pleased to provide the following quotation for your consideration.

Our Technology is unlike traditional repair methods. PotholeRepair.com uses a patented Thermal Bonding System to mechanically and thermally eliminate all joints providing superior resistance to water penetration compared to conventionally cut joints. Our equipment is contained in a single vehicle, enabling just two technicians to repair defects with minimum disruption.

How does it work? Our process uses indirect, pulsed heat to recycle the existing road surface and reestablish the original integrity of the road or pathway. A thermal bond is created between the repair area and the existing asphalt which works deep down to re-establish a permanent bond with the base infrastructure.

Statement of Work

CLIENT

(Has authority to authorize the work.)

PROPERTY OWNER (if not the client)__________

NAME OF CLIENT

(“Client”) hereby hires and engages Pothole Repair Metro DC, LLC ("PRMDC") as follows:

1. SCOPE OF WORK. PRMDC shall perform in a workmanlike manner the pothole repair services (the “Services”) which are fully described in this proposal (the “Proposal”).

2. RESPONSIBILITIES OF CLIENT. Prior to the commencement of any Services, Client shall clear the service area making it free of obstruction and coalition off areas as required so that the Services can be provided without delay. In addition, Client will complete any other preparation described in the Proposal, if any, prior to PRMDC commencing the Services. PRMDC will contact Client at least 48 hours prior to the start date regarding the preliminary work to be done by Client, as described in this Paragraph 2.

3. DELAYS ATTRIBUTABLE TO CLIENT.
   a. In the event that Client fails to complete the preparation described in the preceding Paragraph 2 in a timely manner, and the commencement of the Services by PRMDC is delayed as a result thereof, Client shall pay PRMDC a cancellation fee of the greater of 20% of the total price of the Services as described in this Agreement or $99.
   b. If any act or omission of Client, its agent, employees, or representatives, causes delay in PRMDC’s performance of the Services, Client will be charged a fee for such delay of $99 for each 30 minutes of delay.

4. PRICE. The cost of the proposed work is set forth in the Proposal.

5. MODIFICATION. PRMDC reserves the right to modify the Proposal and/or this Statement of Work if there is a material deterioration or other material change in and around the surface(s) to be repaired between the date of the Proposal and the date the Services are to commence.

6. TIME. PRMDC agrees to complete all repairs on or before _______________ subject to the terms and conditions of this Agreement. In the event that the performance by PRMDC is delayed as a result of weather conditions, acts of God, or other force majeure, the due date will be extended until the force majeure or other condition is resolved and PRMDC shall not be subject to any penalty of any kind as a result of such delay. If the Services are delayed more than 30 days, then Client may at its option terminate this Agreement without penalty.

7. TERMS AND CONDITIONS. This Statement of Work is subject to the terms and conditions set forth below, all of which are incorporated herein by reference.

COMMERCIAL

The following terms and conditions govern the attached Statement of Work submitted by Pothole Repair Metro DC (PRMDC) to Customer.

1. Services. PRMDC agrees to supply the Services described in the Statement of Work pursuant to the terms of this Agreement. The Statement of Work and these terms and conditions are referred to collectively as the “Agreement.”

2. Warranty. Upon completion of the Services and receipt of payment in full from Client, PRMDC will warrant the repairs made against any defects in workmanship or materials for a period of 12 months from the date of completion of the Services. If a repair fails or degrades through normal wear and tear during the 12 month warranty period, PRMDC will make necessary modifications to the repair without charge to the Client. PRMDC makes no other warranty express or implied.

3. Exclusions. Degradation, or other deterioration of a repair (i) in an area where vehicles make continual and repetitive turns; or (ii) which is caused by dislodging of the repair attributable to tree or other roots, broken water or gas pipes, heaving of the adjoining road or surface area adjacent to or surrounding the repair, or repetitive oil, gas, or other toxic substance spillage, or similar circumstances are expressly excluded from this Warranty. Any modification or alteration to the Repair by any person or enterprise other than PRMDC will void the Warranty described in Paragraph.

4. Limitations of Liability. PRMDC shall not be liable to Client or any third party for (i) any failure or defect of the Repair caused by persons or events beyond PRMDC’s reasonable control or the acts or omissions of Client or any third party or for any consequential damages arising from the Repair or the failure of the Repair; or (ii) any claims arising out of damage to underground utility lines or related hardware or consequent outages, unless Client has clearly informed PRMDC of the location of such utility lines or hardware prior to commencement of the Services. Client shall not be entitled to punitive damages under any circumstances. Client agrees that the maximum amount for which PRMDC may be held liable to Client or any third party collectively is the total consideration paid by Client to PRMDC for the Services provided pursuant to this Agreement.

5. Payment. Payment is due upon completion of the Services, unless Client has established an account with PRMDC. If Client has an account, payment is Net 10. 2.5% per month interest on any invoices remaining unpaid after 30 days (or the maximum interest allowed by law, if less than 24% per annum) and payment of all costs relating to collection, including, but not limited to, reasonable attorney fees, court costs, and interest.

6. Severability. A determination that any provision of this Agreement is invalid, illegal or unenforceable shall not affect the enforceability of any other provision.

7. Applicable law. This Agreement shall be governed by the laws of the Commonwealth of Virginia without regard to conflict of law principles. The parties hereby agree to submit to the exclusive jurisdiction and venue of the state or federal courts sitting in or serving Fairfax County, Virginia.

8. Entire Agreement. This Agreement constitutes the entire agreement of the Parties and supersedes all other agreements, representations, communications, statements or negotiations between the Parties relating to the subject matter hereof.

9. Amendments. Any modification of this Agreement must be in writing and signed by both parties.

10. Client Representation. Client hereby represents that it has authority to engage PRMDC to perform the Services at the site described in the Proposal.

11. Dispute Resolution. Any claim for monies due PRMDC pursuant to this Agreement, may be brought in any court of competent jurisdiction in Fairfax County, Virginia, and the parties agree to submit to the jurisdiction and venue of such court. All other disputes between the Parties in relation to or arising out of this Agreement or any part of this Agreement, which are not amicably resolved by the parties themselves, shall be submitted to final and binding arbitration.

12. Location of Arbitration. Any arbitration proceeding shall be held in Fairfax County, Virginia.

13. Arbitration Procedure. The arbitration shall be conducted pursuant to the rules of the American Arbitration Association governing commercial arbitration, and the applicable law in the Commonwealth of Virginia, as the same may be amended from time to time. The fees and costs for the arbitration, including, without limitation, fees and travel expenses for the arbitrators, but excluding the parties’ attorneys’ fees, shall be paid one-half by each party.

14. Choice of Arbitrator. The parties may request a list of prospective arbitrators from the American Arbitration Association or the Federal Mediation and Conciliation Service, or the Virginia judicial system, or they may select arbitrators on an ad hoc basis. If the parties cannot agree on an arbitrator, they will request that the American Arbitration Association appoint an arbitrator.

15. Arbitration Is Final And Binding. The parties to the dispute irrevocably agree that the decision in such arbitration proceedings (i) shall be binding on the parties; and (ii) may be enforced in a court of competent jurisdiction. The parties understand and agree that by entering into this agreement to arbitrate, they forfeit their right to assert in claims before a judge or jury.

16. Severability. The foregoing agreement to arbitrate shall survive the termination of this Agreement.

Question #2:

I believe that my diverse experience and perspective would benefit the committee. First, although I would not be able to provide legal advice to the committee, I am an experienced attorney with expertise in general business law, contract law, and corporate governance. Second, I have an MBA from the Wharton School, with extensive experience in accounting and finance. Finally, as a former Naval officer, I have significant experience leading and managing complex projects and teams of people. See below for abbreviated CV.

Question #3:

I would like to assist the FAC in advising the Board on the annual budget, investments, the monthly financial statement, and other issues affecting the financial position of the Association.

Regarding security, to stay within budget I recommend the following:

1. Both entry doors remain locked at all times. Key card access only. Given that the front desk is not manned full time and the door near the Great Room is not manned, this will ensure that only authorized personnel are allowed entry.
2. Install Nest doorbell cameras on both doors. These can be monitored online (most likely a tablet) from both the desk and in the office ($250 each - $500)
3. Install door release buttons are front desk and office to open door remotely after verifying how is requesting access. (Cost TBD)
4. Install Nest cameras in the front logy, in the basketball court, in the gym, in the lobby near the great room, at the top of the stairs to the office and by the pool. ($225 each - $1,350)
5. Provide tablets for the front desk an office ($200 each - $400)
6. The onsite maintenance staff can install. They connect via WiFi and only need power.
7. Contract for cloud storage to store images for 30-60 days (cost TBD)

If this approach is agreeable to the committee and board, I can finalize the pricing. Total to this point is $2,250.
Motion:
"I move to approve the CCFC recommendation to direct ProFIT to purchase a lightly used LifeFitness Functional Trainer for a cost not to exceed $2,500. This is to be paid from the Reserve Expenditures, GL3280."

Second:

Summary:
The CCFC is requesting approval to purchase a lightly used LifeFitness Functional Trainer.

CMC Recommendation:
The Board to approve the CCFC recommendation to purchase a lightly used LifeFitness Functional Trainer.
