FIRST NEIGHBORHOOD WATCH MEETING

The first Neighborhood Watch meeting for Cameron Station will be held on Monday, September 21, at 7pm in the Great Room of the Cameron Club. This will be an organizational meeting during which the group should decide on a coordinator and possibly determine block captains. All Cameron Station residents are welcome to participate in Neighborhood Watch, a community-endorsed group. Responsibilities include but are not necessarily limited to the following:

- Identify the overall security concerns of the community and present realistic ideas and alternatives to the current security measures.
- Address ongoing concerns regarding such issues as petty theft on the property.
- Collaborate and communicate with local law enforcement officials to help establish a community watch program and establish a rapport with community members in the surrounding areas.

AD-HOC CAMERON CLUB RENOVATION COMMITTEE

The Ad-Hoc Cameron Club Renovation Committee is hard at work evaluating the need for, and extent of, possible space renovations to the center of our community (the fitness center, meeting rooms, gym and offices). The committee would like to hear real-time ideas, views, concerns and feedback from Cameron Station residents. Interested residents are encouraged to participate at renovation committee meetings during resident forums (the next committee meeting is Thursday, September 3, at 7pm in the Henderson Room in the Cameron Club), visit the committee's section of the community website, www.cameronstation.org, participate in upcoming surveys or email the committee directly at clubrenovation@cameronstation.org.

POOL HOURS FOR REMAINDER OF SEASON

Lap swimming is available weekday mornings only, 6-9am. Pool will also be open on three additional weekends: September 12-13, 19-20 and 26-27. Residents may bring four (4) guests per household Monday through Friday, except on holidays, and two (2) guests per adult on Saturdays, Sundays and holidays. Visitors ages six (6) years and under do not count toward guest pass usage for entry, regardless of the day.

FITNESS CENTER NEWS

Group Exercise Classes

Remember that residents can drop in on any of the group exercise and aquatics classes for a \$10 drop-in fee. This is a great way to try out a class to see if you like it. Please note that it makes everyone's fitness experience more enjoyable if everyone would throw away their used paper towels and re-rack their weights at the end of their workout. Also, the use of cell phones in the gym area is discouraged. We are expecting two new treadmills to replace the two oldest units in the center. Thank you for your patience.
