**NEW CAMERON STATION WEBSITE**

The Cameron Station website has been completely revamped -- it is very user friendly and has many functions not available on the old site. NOTE: Residents are required to create new website log-ins and to sign up for email news blasts and/or electronic newsletter delivery. The log-in/password assigned by the management office for the old site will no longer work. Registration is fast and simple. To register, visit [www.cameronstation.org](http://www.cameronstation.org), then select "Create an account" from the drop down menu under "Login." Once you have created your account, please allow up to two (2) business days for management to verify residency/ownership and approve this request. If you have any questions, please contact the management office at 703- 567-4881 or via email at [communitymanager@cameronstation.org](mailto:communitymanager@cameronstation.org).

**COMMITTEE MEMBERS NEEDED!**

The Activities & Events Planning Committee, Architectural Review Committee, Communications Committee, Cameron Club Facilities Committee and Financial Advisory Committee currently have one or more vacancies and are seeking interested homeowners who would like to volunteer. Please contact Airielle Hansford for more information: [communitymanager@cameronstation.org](mailto:communitymanager@cameronstation.org).

**WEST END FARMERS MARKET**

Open Sundays, 9am-1pm. South parking lot of Ben Brenman Park.

## **TRANSPORTATION MANAGEMENT PLAN SURVEY**

### **Due on Monday, July 25**

Residents are encouraged to complete and submit the 2011 Semi-Annual Residential Transportation Management Plan Survey. The focus of this survey is to gather information for the City of Alexandria and Cameron Station Community Association, Inc. (CSCA). Your responses to these questions will assist in determining CSCA's transportation requirements and help assure compliance with the provisions established in the TMP. For the first time, the TMP survey is available as a paperless, online survey, which can be found using this web address: <http://survey.alexandriava.gov/s3RES/CameronStation>. If you would rather complete a paper copy of the survey, it is available on the Cameron Station website or can be obtained from the management office. Please hand deliver, mail, email or fax the completed paper copies of survey to the CSCA office by Monday, July 25.

## **FOURTH OF JULY CLOSINGS/HOURS**

- Management Office -- closed
- Shuttle Bus -- does not run on federal holidays and thus will not run on July 4.
- Fitness Center -- regular hours
- Cameron Station Pool -- regular hours (10:30am-8:30pm), however, there will be NO early morning lap swim.

## **FRIENDLY REMINDER TO WATER PLANTS AND TREES**

Please be reminded that part of upkeep should include watering and trimming plants and trees on private lots as outlined in the DMS (Design & Maintenance Standards). We also ask for your assistance watering the grass and young trees in the common areas and along the Linear Park.

## **CAMERON CLUB POOL HOURS**

The pool is open every day through Labor Day, September 5, 10:30am-8:30pm, as well as weekends in September, weather permitting. Lap swim only, 6-8am, Mondays through Fridays, excluding federal holidays. Two lanes will be reserved for lap swim only, 7:30-8:30pm, Mondays through Fridays. During normal hours, 10 minutes before each hour shall be reserved as a "break" for lap swim.

## **FITNESS CENTER NEWS**

### **Group Exercise Classes**

Residents can drop in on any of our group exercise classes for \$10. There is a new Monday night Cardio Boot Camp at 6:45pm. Water aerobics classes will be starting on Saturday, July 9. Look for an email about these classes to arrive soon. If you do not receive emails from the fitness center and would like to, please send an email to [fitness@cameronstation.org](mailto:fitness@cameronstation.org).

### **Maintenance Issues**

If you are using a machine and you do not think it is working correctly, please contact a staff member and let him or her know the problem. When we do get complaints and have a tech come in to look at a machine we cannot always figure out the problem. It is easier if we have something specific we are looking for and are able to duplicate the malfunction.

### **A Friendly Reminder**

The CAMERON CLUB OPERATING RULES & PROCEDURES states: "Each user shall wipe off the equipment after each use with their towel." We provide paper towels, spray and wet wipes to make this easy for everyone. No one wants to use a piece of equipment that is sitting in a puddle of someone else's sweat. We also ask that residents place used gym wipes and paper towels in the trash cans provided. Cell phone use is also prohibited. We ask that phone calls be taken in the stairwell or in the lobby.

## **CAMERON CLUB INPUT REQUESTED**

Please let the Cameron Club Facilities Committee know if you have any recommendations for the clubhouse in terms of equipment, furniture, etc. Budget deliberations take place on Thursday, July 14. Please contact [raymond.celeste@gmail.com](mailto:raymond.celeste@gmail.com) with recommendations.
