Adult Happy Hour – TGI(L)F

From 6:30 to 8:30pm, in the Cameron Club's Victoria Hebert Great Room. This happy hour event will be a BYOB, but free pizza will be provided by the Cameron Club & Events Committee. It is a "social" TGI(L)F this time around, designed for meeting and greeting and low-key conversation. So come have some good chitchat with your neighbors. Newcomers, this is a great way to meet folks – we hope to see you there!

VIRGINIA PAVING MEETING REVISED DATE

On Tuesday, October 5, 6:30-8:30pm, at Beatley Library (across Duke Street from Cameron Station), Virginia Paving will hold a meeting to update the community on activities at the asphalt plant. They will also listen to any community issues related to the plant's operations.

FITNESS CENTER NEWS

Group Exercise Classes

Residents may drop in on any of our group exercise classes for \$10.

A Reminder

Things have gotten much better in the fitness center, but there are still a few residents who do not wipe the machines down. Please remember to wipe down the machines when you are done using them. Also remember to limit cell phone use to the stairwell or the downstairs lobby.

Class Ideas

If anyone has ideas for new classes they would like to see at the Cameron Club, we would love to hear from you. We added our Zumba class in part because it was recommended by a resident. Please forward your ideas to Kevin at fitness@cameronstation.org.

AD-HOC CAMERON CLUB RENOVATION COMMITTEE FINAL REPORT

Since June 2009, the Ad-Hoc Cameron Club Renovation Committee has been examining information surrounding a potential renovation of the Cameron Club facilities. The committee recently presented its recommendations in a final report to the Cameron Station Board of Directors. The committee and the board would like to thank residents for sharing their opinions and participating in the process of assessing the needs of the community. For more information or to review the report and recommendations, please visit the *Topics of Interest* section on the committee's webpage at www.cameronstation.org or visit www.cameronstation.org/residents/board/topics_interest.asp?ID=9

VEHICLE BREAK-INS

There have been a few vehicle break-ins in Cameron Station this summer. Residents are reminded not to leave valuables in vehicles and always to secure your vehicles and home. The police encourage residents to keep an eye out for suspicious activity and they urge you to report any such activity by calling the City of Alexandria Police Department at 703-838-4444. Don't hesitate to call!

PLEASE WATCH YOUR SPEED

The management office has received several complaints from residents regarding cars speeding down Cameron Station Boulevard and Brenman Park Drive. Please remember that there are many children in our community, including those who attend Bright Start and Samuel Tucker Elementary School. Tucker is back in session, so many more children are now walking and biking to school and crossing the streets. **The speed limit in Cameron Station is 25MPH.** Please watch your speed!

CAMERON STATION COMMITTEES NEED YOU!

The HOA committees are the foundation of our Cameron Station community, and they are all staffed by volunteers. If you can give a few hours of your time, please consider joining one that matches your interests. The Cameron Club & Events Committee, the Communications Committee, the Architectural Review Committee and the Financial Advisory Committee currently have one or more vacancies. Interested homeowners should send an email to ahansford@cmc-management.com.
