- **Postage**, line item #5010, exceeds the year-to-date budgeted amount by $3,035.02. A significant portion of this overage is due to the cost to mail the Cameron Club Policy and DMS Amendment in May totaling $3,170.35. Management anticipates that this line item will exceed the FY2010 budgeted amount by $5,400.00.
- **Architectural**, line item #5079, exceeds the year-to-date budgeted amount by $2,018.41. This is due to the associated costs for data-processing for the monthly comprehensive reports. As of September, the monthly inspections will be entered on-site by the Covenants Administrator.
- **Common Area Water/Sewer**, line item #5901, exceeds the year-to-date budgeted amount by $2,998.04. This is due to the increased water consumption associated with the irrigation system expansion.

- **General Repair & Maintenance**, line item #6360, exceeds the year-to-date budgeted amount by $2,083.88. This is due to the cost of maintenance supplies. Management has added a line item for General Repair and Maintenance Supplies for the FY2011 Budget totaling $10,000.
- **Casual Labor**, line item #6365, exceeds the year-to-date budgeted amount by $35,113.38. This overage is due the association using contracted maintenance service during the first half of the year. The majority of these charges were coded to Administrative Payroll. At the September 2010 Board meeting, Management was asked to move these costs to Casual Labor.
- **Exercise Equipment Repair & Maintenance**, line item #7245, exceeds the year-to-date budgeted amount by $4,111.01. This is due to increased wear and tear on the aging fitness center machines. Management has recommended an increase in this line item for FY2011, additionally it is anticipated that several of the older machines will be replaced in late 2010 and early 2011.
- **Sprinkler System**, line item #7307, exceeds the year-to-date budgeted amount by $2,465.15. This is due to repairs necessary to maintain the fire suppression system.

Overall there is a positive variance between year-to-date income and expenses in the amount of $268,482.01 through October 31, 2010, which is $70,870.33 above the budgeted amount for Net Income/Loss for October 2010.
